Capture the Student Market

Are you reaching students with your advertising? Nexus is the most effective and affordable way to reach the student market.

Nexus readership at Camosun includes about 8,000 students, as well as hundreds of staff and faculty. We also reach an ancillary market of more than 25,000 students and employees at UVic, Royal Roads, Victoria Conservatory of Music, and other satellite educational institutions.

In addition, Nexus has a significant community presence including over 50 off-campus distribution points throughout the Greater Victoria area.

Nexus is a non-profit newspaper run by students at Camosun College. Our mandate is to publish an informative, analytical, and entertaining paper focusing

on issues affecting students in Victoria. Our advertisers are proud to be a part of our paper.

A quick look at our rate card will show the competitive advertising rates compared to similar publications. If you are interested in student-directed advertising, Nexus is perfect for you.

Call us at 250-370-3591 or email editor@nexusnewspaper.com if you require further information or would like to book an ad.
