6. Nexus Policy and Procedures update and discussion: In regards to the teacher at Camosun who wrote a complaint letter about the language in Nexus' last issue. Board should look at policy and see if we feel we should change anything. Darin will head up a sub-committee to do that. Committee will look at what the teacher cited from the Policy, as well as look at past complaints with the Policy (i.e. - nun article from last year). Will look at other school newspapers policies. Darin will email regarding when committee will meet. All board members expressed interest.

7. Logo contest: Ran full-page ad in this issue, will do for next 3 issues if room available. December 9th is deadline. Need to try and secure prizes for the winner—thinking Camosun bookstore and cafeteria, Jason will speak with them. Also if we don't get too many entries can extend deadline, but would like to launch new logo for January. Allotting \$200-300 for first prize, also could trade ad space for a prize. Jason will work on swag to thank people for entering.

8. NASH delegate discussion: Jason got a job with CUP and they will fly him in, so his spot is free. Jason, Renee, Erin, Amanda, and Emily are going for sure, not sure about Greg. His deadline to let us know is December 1st. Would like to send first year so they

will come back and work at Nexus next year, will discuss with staff and board about who. Possibility to pay for delegate fee if someone else was able to pay their flight and hotel.

9. Adjourn: @11:54 Motioned by Adam, approved by Luke.
