Applied for two grants. Did not get Local Journalism Initiative grant. Still waiting to hear back from Special Measures in Journalism grant. More grants have been applied for, will follow up in future meetings.

7. Holiday party recap (with Greg)

Discussion had on how the holiday party went. Everyone agrees party went well. Explored ideas on having the next party off campus, serving alcohol, and bringing guests. Concerns raised about logistics of too many guests and having too many strangers at party. Board will consider measures for bringing limited guests, such as board members only, pre-approved guest list, and having guest permission be based on contribution of stories and time/effort of volunteers. Will discuss further and decide at a later date.

8. Daniella, CCSS Liaison, asks questions about Nexus paper

Discussions had about increasing student engagement. Handing out papers, doing more class presentations, expanding to social media such as Instagram and Tiktok. Discussions about going paperless to save money; conversation has been ongoing for many years, and new ideas for engagement/cost saving will be discussed as time goes on.

9. Adjourn
